# MOST RELIGIONS BELIEVE IN "A" JESUS

How does your belief in Jesus differ from the other religions?

---

# ALL OF THESE OTHER VIEWS DISREGARD ONE THING

Not his good morals

Not the existence of Jesus.

Not his wisdom.

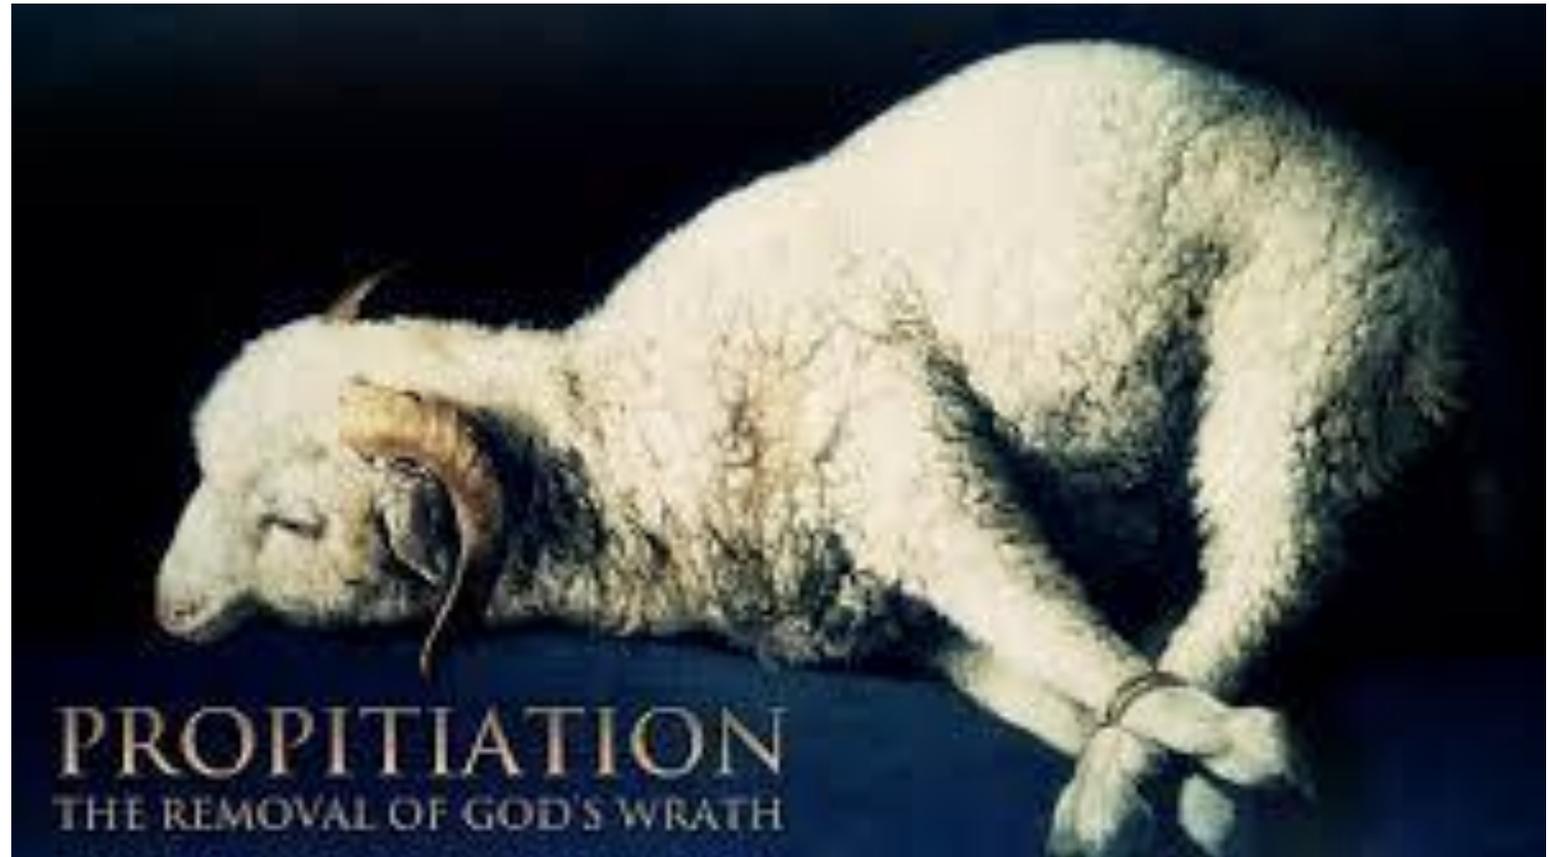

Not his ability to teach.

They deny the sacrifice on the cross that he  
was.

---

To Propitiate is  
To satisfy the  
wrath of God  
against sin, to  
turn away Gods  
wrath, or to  
offer sacrifice  
that appeases  
Gods judgment  
and righteous  
anger against  
us and our sin

# JESUS CAME TO BE THE PROPITIATION FOR OUR SINS

---

The atonement was the reconciliation of God and mankind, the sacrifice bridged the gap between us and God

**CHRIST  
BECAME OUR  
ATONEMENT  
FOR SIN**
